TOWN OF MONKTON ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Directors and Citizens of Monkton:

In submitting my annual report as Superintendent of the Monkton Schools for the year ending December 31, 1951, I offer first certain statistical data from the records of the 1950-51 school year and also as of the opening of school in September of 1951.

For the school year 1950-51 the Average Daily Attendance of Elementary Pupils in the Monkton Schools was 78.1 and during the same year 19 different pupils from Monkton attended various high schools in this area. The average per pupil cost for elementary pupils was \$213.83; for high school tuition pupils the cost was \$155.66 per pupil. The relatively high per pupil cost for elementary pupils during the year 1950-51 can be accounted for by several factors. The principal ones were the reduction in the total number of pupils in town after the school year was opened with five schools in operation and the second was the special transportation required for several months due to the hurricane damage at the Morgan School.

This year we are operating only four schools. The enrollment at Kaolin Hill and Morgan decreased to the point where the two groups could easily be accommodated at Morgan with a relatively small amount of transportation. Two of last year's teachers left our employ and one new teacher, Mrs. Cora Rock of Bristol, was added to our staff

this year. Mrs. Evadne Cox, after one year at the Boro School, took over the combined Kaolin Hill and Morgan groups at the latter school.

The September 1951 enrollment of the Monkton schools was as follows: By schools — Boro, 22; Dartt, 13; Morgan, 18; Ridge, 27; Total 80. By grades — Grade 1, 13; Grade 2, 8; Grade 3, 9; Grade 4, 16; Grade 5, 11; Grade 6, 9; Grade 7, 6; Grade 8, 8; Total 80. This is the lowest September enrollment in the Monkton schools for a number of years but experience has shown that this is not necessarily of any trend as school population in Monkton has fluctuated greatly from year to year and even within a given school year.

Regardless of the size of our school enrollment, I believe that the importance of regular attendance should be pointed out to parents of children in school. Illness and quarantine are legal reasons for absence from school; beyond these there should be few reasons for irregular attendance. The educational success or failure of pupils is frequently traceable directly to the regularity of their attendance in school. Furthermore, the most important basis of state aid to our local schools is the average daily attendance of our pupils. For this reason it is good business to have our children in school every possible day, as absences will decrease our state aid. We anticipate the cooperation of all parents in this important matter.

In an earlier report I pointed out the disadvantages to the education of our children of having from 20 to 30 pupils in all eight grades taught by one teacher. There are just too many things to be done in each day to permit the teacher to do the kind of teaching job the children deserve. Many towns are now working out plans where by transporting a relatively small number of pupils from one school to another, and bringing back an approximately

equal number from the first school, the number of grades in both schools is reduced and the instruction improved. I believe that the time has come when Monkton should give further consideration some plan of this kind. Perhaps it cannot yet be done for the entire town, but possibly a start could be made in the larger schools at the Boro and Ridge.

I close this report with a sincere expression of gratitude for the cooperation and assistance of all who have worked with me during the past year in the Monkton schools.

Respectfully submitted,

LLOYD W. MOULTON,

Vergennes, Vermont

EVA B. BUSHEY,

Town Clerk

HEALTH OFFICER'S REPORT

During the year, I had reported to me the following number of cases of communicable diseases.

Scarlet Fever	1
Measles	47

Whooping Cough

13

The school buildings are under State Board of Health inspection. In so far as possible the School Board has complied with the inspectors recommendations.

W. EARLE MEADER,

Health Officer

PUBLIC HEALTH NURSING SERVICE

Until July 1, 1951, the Public Health Nurses of the Vermont Department of Health provided services in about 88 Vermont towns, each of which yearly contributed a sum toward the program's support. This was the only Health Department program not state wide; more than 135 towns had no generalized state nursing service.

Beginning July 1, 1951, the area of each nurse was extended to include all towns. Town contributions are no longer required; state and federal tax funds are equitably distributed; services are generalized and include duties formerly undertaken by specialized tuberculosis nurses; increasing emphasis is placed on prevention of disease and finding situations needing correction; great stress is placed on citizen participation through local health councils and others in all phases of community health.

Your Health Department does not have money available to correct the physical needs of those in your town who cannot afford treatment. The Department urges your serious consideration of a town appropriation for this purpose, suitable to your local needs, to be expended under the auspices of your local health authorities or council.

HORTENSE L. HARWOOD,

Public Health Nursing Supervisor
Vermont Department of Health

CELIA S. RUSSELL,

Librarian

VERMONT DEPARTMENT OF SOCIAL WELFARE

Montpelier, Vermont

This is our sixteenth annual report to the citizens of the Town of Monkton, on State payments in your municipality of various types of assistance and welfare during 1951.

The total number of recipients in the State has declined, but expenditures are larger by reason of increases in the legal monthly maximums authorized by the 1951 Legislature. Funds for the support of these programs were derived from the Federal Government 57.5%, State Government 37.6% and Town or City 4.9%. Total administrative expenses for the four types of Public Assistance were 4.2% and for all programs and services 6.5%, giving Vermont top ranking in the nation for low cost. In Vermont one in six persons over sixty-five receive Old Age Assistance and one in fifty children under the age of eighteen receive Aid to Dependent Children.

None of the assistance programs are pensions. They are

paid on the basis of need and in accordance with policies and procedures established under law. Children and parents, in proportion to their ability, have legal as well as moral obligations under the Statutes.

Old Age Assistance	\$ 6,663.00
Aid to the Blind	
Aid to Dependent Children	2,700.00
Adult Crippled Aid and Aid to the Totally and Permanently Disabled ..	
Committed Children	1,357.17
<hr/>	
Total	\$ 10,720.17

W. ARTHUR SIMPSON,
Commissioner

ANNUAL TOWN MEETING AND TOWN SCHOOL DISTRICT MEETING

The Legal Voters of the Town of Monkton and the Town School District Meeting of Monkton are hereby warned to meet at the Town Hall on Tuesday, March 4th, 1952, in said Town at 10:00 o'clock A. M. for the following purposes:

- Art. 1. To elect a Moderator.
- Art. 2. To elect a Town Clerk.
- Art. 3. To receive and act upon reports submitted.
- Art. 4. To see if the Town will vote to empower and authorize the Selectmen to appoint one or two Road Commissioners.
- Art. 5. To elect all other officers as required by law.
- Art. 6. To see if the Town will fix a date when all taxes shall be paid.
- Art. 7. To see if the Town will vote to pay taxes direct to Treasurer as in 1951.
- Art. 8. To see if the Town will vote to collect taxes on Real and Personal Property in installments.
- Art. 9. To see what tax rate per cent on the dollar of the Grand List the Town will vote for the following purposes: (a) General Orders and County tax, (b) Bond and Interest, (c) Winter Roads, (d) State Patrol, (e) General repairs on Highways, (f) Resurfacing, (g) Overseer of the Poor orders, (h) School Districts current expenses for the ensuing year.
- Art. 10. To see if the Town will vote to take advantage of the special fund for back roads as provided in the Acts of 1937, to the extent of \$25.00 per back road mile, provided the Town spend \$25.00 per back road mile of their own money.
- Art. 11. To vote on the following:
Will the Town authorize the Auditors of the Town to employ the services of an accountant from the office of the Auditor of Accounts as provided for in Section 3606 and Sections 3604 to 3608 inclusive, to conduct an audit of the accounts of the Town?
- Art. 12. Will the Town authorize the Selectmen to acquire by gift or purchase land for a municipal forest, to promote reforestation, water conservation and good forestry practices?
- Art. 13. To elect a Library Committee for a term of 5 years.
- Art. 14. To elect a Librarian.
- Art. 15. To vote a salary for the Librarian.
- Art. 16. To vote to see if the Town will empower the Selectmen and School Directors to borrow money from time to time and pledge the credit of the Town for the purposes of

providing temporarily for the past and current indebtedness of the Town, as deemed necessary and expedient by them.

- Art. 17. To vote a sum of money for the Library.
- Art. 18. To see if the Town will vote a per cent on the dollar for Black Top Road, to be matched by the State two to one.
- Art. 19. To see if the Town will vote a sum of money for corrective work with the District Nurse.
- Art. 20. Shall licenses for the sale of Malt and Vinous beverages be granted in this Town?
- Art. 21. Shall Spirituous Liquors be sold in this Town?
- Art. 22. To transact any other business thought proper when coming before said meeting.

Dated at Monkton this 18th day of February, 1952.

E. J. PROVONCHA,
C. J. PARKS,
WRIGHT LAYN,

Selectmen of Monkton

This Warning is for the purpose of printing in the Town Report and is subject to amendment within the legal dates of posting according to Section 3501 of the Statutes of the State of Vermont.
